OFFER LETTER

Date: 04-10-2024

Dear Hitesh Sanjay Mantage,

We are pleased to offer you an internship opportunity at CodeSpaze as a Python Development intern. We are excited to welcome you on board for a journey of learning and growth within our dynamic Python Development internship program. Your internship is scheduled to begin on 7 October, 2024 and will conclude on 20 November, 2024.

Throughout your internship, you will gain valuable hands-on experience and a deeper understanding of various concepts in a collaborative and fast-paced environment. We are confident that your enthusiasm, dedication, and willingness to take on tasks will contribute to a fulfilling experience for both you and the CodeSpaze team.

Please note that, as an intern, you will not be considered an employee of the company. Therefore, you will not be eligible for benefits that are extended to our regular employees. We expect all interns to adhere to company policies and practices, particularly those related to conduct, confidentiality, and professionalism.

We are confident that your time with us will be rewarding, and we wish you the best as you begin this exciting chapter. Should you have any questions or require further clarification, please feel free to contact us at **contact@codespaze.com**.

We look forward to working with you!

With regards,

The CodeSpaze Team
